## WEB DEVELOPER

### PROFILE

Hey there!! I'm Saad Shaikh.

A dedicated 3rd-year student at LJ University, I am passionate about Front-end development and determined to secure an exciting internship opportunity. I aspire to create User-Friendly interfaces that make a lasting impact. I'm not just looking for an entry-level role. I'm Seeking an opportunity to grow with an organization and expand my professional skills, capabilities, and knowledge beyond an entry-level role
